

QUILTER'S NEWS

Our group enjoyed a fat quarter exchange followed by a Christmas luncheon at the Olive Garden. With holiday projects completed, we are ready to begin new ones in January.

Two of our members' quilts were included in a truckload of relief donations for the "Sandy" storm survivors in New York and New Jersey, as well as two for the Veteran's Hospital in Orlando.

The new year can be the start of a satisfying sewing hobby. We have fabric, supplies and sewing machines as well as expert guidance. Come join us on Monday mornings from 9 am to 12 pm in Building #3. Instructor Elizabeth Sowden, 321-453-5559. \$1.00 members, \$2.00 non-members.

A wonderful group of dedicated volunteers run the Martin Andersen Senior Center daily. Many of whom attended the Volunteer Christmas Appreciation Luncheon in December. The Martin Andersen Choral Group performed a selection of holiday songs for the attendees. A great time was had by all.
