QUILTER’S NEWS: We enjoyed a grand anniversary party in March, entertained by our own chorus and dance teams, guest speakers, too. The quilters and crafters then greeted visitors to our work rooms to show off our talents. Our newest member, Martha Kirklin, enjoys observing the activities while she works on her own project. We will miss our seasonal friends who returned to their home towns, so there is room for more creative folks to get started on the baby quilt or finish up a bed runner. We have supplies and advice to share. Join us on Monday, 9 am – 12 pm, in Building #3. Donation \$1.00 members, \$2.00 non-members. Instructor Elizabeth Sowden 453-5559.

BUSY FINGERS: Bring your craft or needle work and join us. Share your ideas with us. Monday mornings 9 am – 11 am in Building #3. Donation \$1.00 members, \$2.00 non-members. For more information contact Mary Cornett 693-8621.

Our 30th Anniversary Celebration on March 16 was a great success. Thanks to everyone that participated in the event...the Planning Committee, the entertainers, the kitchen staff, and everyone that brought refreshments. It was truly a team effort.
