QUILTER'S NEWS: Starting a new project is almost as satisfying for a dedicated quilter as finishing one. It will lift your mood and gladden your heart, as well as giving enjoyment to the person who receives it. The arrival of the Spring season is the perfect time to learn a new skill, continue an old one, make new friends and finish a UFO (unfinished object). We have basic supplies to share and plenty of free advice. Come join us on Monday mornings 9 am – 12 pm in Building #3. Donation \$1.00 members, \$2:00 non-members. Instructor Elizabeth Sowden 453-5559.
