

Exciting Opportunity

The Senior Center (SC) needs help in several areas. This is a great opportunity to volunteer; support and meet fellow seniors.

1. **Building Supervisors**, you would either open the buildings at 8:30 and turn the a/c on and the alarm off. Or close the buildings, check coffee pots are unplugged, turn off/on air/heat, turn alarm on. And you would be a Corporate Board Member.
2. **Host/hostess Supervisor and host/hostess**. As host/hostess, your main tasking is to meet and greet folks as they come to the SC. You will also make coffee, answer the phone, make SHINE appointments and collect dues. Normally you work in teams of two. As Host/hostess Supervisor you will train and schedule host/hostess.
3. The SC needs **Saturday Night Dance host/hostess**. You would set up snacks, open the doors at 6:30 pm, collect fees, lock up at 10:30 pm. Interested call Barbara Bristol at 321-452-1944.

Your help will ensure Martin Andersen is a great place to come for all.
